

Stylish, sophisticated, and powerful the Black Genesis is dressed to impress. Finished with a rich black matte coat, the Black Genesis' eye catching looks match perfectly with its cutting-edge performance.

Equipped with six gleaming heat pipes and 90 pitch-black fins, the Black Genesis sheds warmth like the cold of night. It is able to be equipped with up to three fans that pull heat from its dark body. The Black Genesis, with its unique design, spreads its cooling shadow over not only the CPU but also the whole motherboard.

Features:

1. High clearance for better motherboard compatibility.
2. Massive cooling range; cools not only CPU but also MOSFET and RAM.
3. Cooler surrounding temperature allowing more stable environment for higher overclock.
4. Takes both 12 and 14cm fans for a maximum installation of 3 fans.
5. Light weight at 800 g (without fans) in the highend class.
6. Intel and AMD platform supported.

Specification:

CPU Platform	Intel Socket LGA 775/1366/1155/1156/2011 AMD Socket AM2/AM2+/AM3/AM3+
Dimension	(L)146mm X (W)216.5mm X (H)160mm
Weight	800 g (without fan)
Heatpipe	Ø 6mm X 6 pcs
Recommended Fan	120mm X 120mm X 25mm , 140mm X 140mm X 25mm
Recommended Fan Speed	800 ~ 1600 RPM

Vast Cooling range:

For maximum performance, a third fan is recommend (an additional purchase of fan clip set will require)
