

# USV 14 FAN WIRE CLIP

The USV 14 Fan Wire Clips are for installation of the Ultra Sleek Vortex 14 Fan on Proli-match heatsinks. The USV 14 Fan Wire Clips are separately sold in four varieties for installation with all Megahalems, Genesis, Armageddon, and MK-26 series coolers. Includes two sets of clips for dual installation.

Please make sure to order the matching fan clips for the correct cooler.
